

Model: BU-1400 / 1600 / 1700 E Cold

Typhoon E Cold series is entry level Full-auto roll to roll model with ABS tooling side cover construction; The accurate CNC metal cutting program secure align laminating and quality finishing; Ideal for wide format laminating or mounting application use.

Features:

- One side hand crank lift up system
- Drop in type interchangeable 3" aluminum shaft
- Button type control panel
- Variable speed control
- Forward and reverse direction control
- E-stop and photocell installed for safety
- Both auto and foot pedal switch mode
- Removable pressure plate
- Stand assembled at customer site
- CE certified
